Engl 99T is a 1-unit, Credit/No Credit course that gives you a reserved weekly tutoring session with a peer-tutor in the WritingCenter (located in LARC, Schulz first floor), or online through our Zoom tutoring. You'll meet with the same tutor, same day/time for the whole semester and that person will provide you tailored support for your writing assignments, be a listening ear as you navigate your first year, and help you grow as a writer.

During your tutoring sessions, you can work on any aspect of writing from any class. Your Tutor can help you:

- Better understand your assignments
- Plan and organize your writing task
- Develop a strong thesis
- Brainstorm and generate ideas
- Cite sources in research-based writing
- AND LOTS MORE!

Please note: English 99T is credit/no credit and does not count towards your GE units, but it will count towards total units for financial aid and scholarships.
